

Marian Clinic Annual Report

for 2010

Marian Clinic 2010

I believe that the first test of a truly great man is his humility. I don't mean by humility, doubt of his power. But really great men have a curious feeling that the greatness is not of them, but through them. And they see something divine in every other man and are endlessly, foolishly, incredibly merciful.

- John Ruskin (1819-1900)

Sisters of Charity
of Leavenworth
Health System

The Sisters of Charity of Leavenworth Health System – a faith-based, Mission-driven health care organization—operates 11 Hospitals and four Clinics for the uninsured in four states (California, Colorado, Kansas and Montana). The Health System is headquartered in Lenexa, Kan. SCLHS is a Catholic, not-for-profit health system dedicated to improving the health of communities and individuals the Hospitals and Clinics serve, especially those who are poor or vulnerable. SCLHS is sponsored by the Sisters of Charity of Leavenworth, who opened their first hospital in 1864. To learn more, visit www.sclhealthsystem.org.

Marian Clinic 2010

The Marian Clinic, a community institution since 1988, continues our mission of “revealing God’s healing love by improving the health of the individuals and communities we serve.” As you can see from the numbers below, we are blessed, with the help of many volunteers and donors, by being able to help many. It is those volunteers and donors that we honor with this report. Thank you, all!

With the successes we’ve experienced, there remain several challenges. We welcome financial support to remodel 2,000 sq. ft. of space donated to us, space that will allow us to treat more patients. We seek volunteer and staff dentists, which are in short supply throughout Kansas. We need volunteer Spanish translators.

But God is good and together with you we will continue to respond to the individuals that God is guiding to us, recognizing their dignity, and treating them compassionately, mindful that we are entrusted with their care. Please keep us in your prayers.

Joy and peace be with you,

Marian Clinic Board of Directors

Here are some of the facts of our work for 2010:

- During 2010 we treated 4,913 individuals.
- Of 16,920 patient visits, 8,933 were for medical care, 7,224 were for dental care, 811 visits for women’s health issues, and 763 for mental health issues. 1,000 were dental emergencies.
- Top diagnoses were hypertension, diabetes, back pain, obesity, and depression.
- 70% of our patients lived below 100% of the federal poverty level; 93% below 150%.
- We made 1,366 referrals to our volunteer physician and dentist specialists.
- Our hospital partners performed 10,752 lab and diagnostic tests (free to patients).
- We supplied medications (free to patients) valued at \$2.1 million.

These achievements were only possible with help from 1,297 Marian Clinic cash donors and from 284 Marian Clinic priceless volunteers. Thank you to all who helped make a difference in the lives of these 4,913 real people, our brothers and sisters.

2010 Volunteers

PLEASE NOTE: While every effort has been made to include every volunteer, donor, and organization that has provided assistance to the mission of the Marian Clinic during calendar year 2010 (with permission) we may have inadvertently omitted someone. Please excuse any errors and know we are very grateful for your support!

*"We must not,
in trying to
think about
how we can
make a big
difference,
ignore the
small daily
differences we
can make
which, over
time, add to
big
differences
that we often
cannot
foresee."*

Mission:

**We will, in the spirit of the Sisters of Charity, reveal
God's healing love by improving the health of the
individuals and communities we serve, especially
those who are poor or vulnerable.**
